

Scott Coffin, Ph.D.

Curriculum Vitae

EDUCATION

PhD, Environmental Toxicology, *University of California, Riverside*, Riverside, CA, 2018

Dissertation Title: "Plastic as a Vector for Pollutants in Estuarine and Marine Environments"

BS, Chemistry, Spanish Minor, Honors, *University of Wyoming, Laramie*, WY, 2013

National Student Exchange - University of Puerto Rico, Mayaguez, Fall 2013

National Student Exchange - University of Massachusetts, Amherst, Fall 2011

Grinnell College; Grinnell, IA, Fall 2009 - Spring 2010

WORK HISTORY

Professional Experience

Research Scientist IV (Chemical Sciences). Jan 2024 - present

Office of Environmental Health and Hazard Assessment, Sacramento, CA.

Research Scientist III (Chemical Sciences). Sept. 2019 – Jan. 2024

State Water Resources Control Board, Sacramento, CA.

Environmental Scientist (Range C). Jan. 2019 – Sept. 2019.

State Water Resources Control Board, Sacramento, CA.

Paid Intern. Jan. 2014 – Jun. 2014

United States Senate, Senator Mike Enzi (WY), Washington, D.C.

International Outdoor Guide. 2013-2014

Wilderness Adventures, Jackson, WY.

Academic Experience

Graduate Student Researcher. 2014 - 2018

University of California, Riverside, Riverside, CA

Teacher's Assistant. 2015-2016

"Introduction to Environmental Science", *University of California*, Riverside, Riverside CA

Academic Tutor. 2010 - 2011

"General Chemistry", *University of Wyoming*, Laramie, WY 2010-2011

Research Fellowships

National Science Foundation Integrated Graduate Education and Research Traineeship Fellow. 2017-2018

University of California, Riverside, Riverside CA 2017-2018

Chancellor's Distinguished Fellow. 2014 – 2015.

University of California, Riverside, Riverside CA

National Science Foundation Established Program to Stimulate Competitive Research Grant Recipient. 2012 – 2013.

University of Wyoming, Laramie, WY

HONORS AND AWARDS

40 under 40. University of California, Riverside. Spring 2022. Recognized as one of 40 remarkable alumni under the age of 40 from the University of California, Riverside.
<https://news.ucr.edu/ucr-magazine/spring-2022/40-under-40/list>

Best Mission Concept. *NASA Covid19 Space Apps Challenge*, 2020. Global hackathon sanctioned by NASA to develop innovative solutions to global issues related to the Covid-19 pandemic using space data, science and technology. "Shelter in Space" project awarded Best Mission Concept out of 1,422 project submissions by a special committee.

First Place: "Water's Impact on People"; Audience Choice Awards. American Chemical Society

Scott Coffin, Ph.D.

Environmental Film competition. San Diego, California, 2019. Documentary: "Getting to Know H2O." <https://gluckprogram.ucr.edu/glucktv-steam-channel>

Fellow; National Science Foundation Integrated Graduate Education and Research Traineeship. 2018.

Best Contribution; Microplastics 2018, Ascona, Switzerland, November 2018. Nominations for this honor are made by a special committee. The Award is given to the best contribution to the field at the Microplastics 2018 conference.

Dean's list, University of Wyoming, Laramie, WY 2013.

This Award is made to undergraduate students who have a grade point average of 3.4 or greater.

Eagle Scout Award, Boy Scouts of America, 2008.

This is the highest achievement attainable in the Boy Scouts of America.

PEER-REVIEWED PUBLICATIONS

41 Peer-reviewed publications (12 first-author); 2,369 citations; h-index: 22; i10 index: 28

COMMUNITY SERVICE and SCIENCE COMMUNICATION

Volunteer Yoga Instructor

Weekly class offered for free at CalEPA building (2024 – current)

Trainer

Experiential Learning with MateRevolve & Call of the Sea. San Francisco Bay. May 2025.

Science Communication and Digital Arts Instructor

Artists Expression of Original Research. Anza Borrego, California. February 2023.

Keynote Speaker and Session Organizer

Microplastics Workshop for Early Career Researchers. Ascona, Switzerland. November 2023.

Symposium Organizer and Keynote Speaker

CalEPA & South Korea NIER Symposium. Sacramento, California. August 2023.

Guest Lecturer

Scott Coffin, Ph.D.

Sacramento State. May 2023.

Podcast Interviewee

Episode 13 – Microplastics. Dockside Podcast.

Podcast Interviewee

Data Science Beginnings Podcast.

Trainer

Experiential Learning with MateRevolve & Call of the Sea. San Francisco Bay. May 2023.

Guest Lecturer

California State University, Sacramento: Geology, Environmental Studies, & USGS
Colloquium. December, 2022.

Keynote Speaker and Session Organizer

Microplastics Workshop for Early Career Researchers: Best Practices and Expert Insights.
COST. Athens, Greece. June 2022.

Podcast Interviewee

EnviroChat. March 2022.

Expert Panelist

Science to Policy Class. University of California, Riverside. November 2021.

Interviewee

KQED and PBS. Microplastics. November 2021.

Guest Lecturer

Palomar College. Water Technology Education Topics. November 2021.

Interviewee

Spectrum News Los Angeles. October 2021.

Podcast Interviewee

Make Peas, not Beef. August, 2021.

Guest Lecturer

University of California. Environmental Health and Development Course. July, 2021.

Public Speaker

Rotary International, Wyoming Chapter. July, 2021.

Interviewee

Los Angeles Times. "Opinion: Microplastics are getting into our bodies. We need to understand what that means." July, 2021.

Podcast Discussion Facilitator

5 Gyres. "World Oceans Day Science 'State of the Union.'" June, 2021.

Project Adviser

University of California, Berkeley. SDG Undergraduate Research Group. 2021.

Guest Lecturer

University of California, Berkeley School of Public Health. January, 2021.

Interviewee

"Endocrine Disruptors and Plastics." The Zero Waste Countdown Podcast. October 2020.

Guest Speaker

Scott Coffin, Susanne Brander, Anastasia Telesetsky. "Microplastics: Science and Policy."
University of Oregon School of Law. September 2020.

Guest Speaker

"Microplastics: Human and Ecological Impacts." Rotary International, Cheyenne Chapter.
September 2020.

Guest Speaker

"Microplastics in Drinking Water: California's Investigations." Microplastics Awareness
Day. County of Santa Clara. September 2020.

Scott Coffin, Ph.D.

Guest Lecturer

"Microplastics in Drinking Water: California's Pioneering Regulatory Investigation."
Biological Oceanography Seminar Series. University of Rhode Island. September 2020.

Guest Speaker

"Microplastics Hit Home: Human Exposure, Health Effects, and Inland Impacts." Inland
Ocean Coalition, Wyoming Chapter. August 2020. Virtual.

Interviewee

"Plasticast Episode 3: Dr. Scott Coffin." Pacific Northwest Consortium on Plastics.

Guest Speaker

Sacramento Science Distilled. Sacramento, California. January 2020.

Guest Lecturer

University of Redlands. Redlands, California. November 2019.

Presenter

Green Jobs Shadowing. California Center for Civic Participation. Sacramento, California.
November 2019.

Presenter

America Recycles Day. California EPA. Sacramento, California. November 2019.

Educational Documentary Producer

"Getting to Know H2O." Riverside, California. 2018–2019.

Presenter

Earth Day Festival. University of California, Riverside. Riverside, California. 2018.

Conference Organizer

SoCAL SETAC / Earth Day Event. Whittier, California. 2018.

Organizer and Publicity Manager

Earth Day Festival. University of California, Riverside. Riverside, California. 2018.

Test Writer

Science Olympiad "Potions and Poisons." Ramona High School. Riverside, California.
2018.

Organizer

California Public Interest Research Group, UCR chapter. 2014–2016.

Presenter

"Environmental Health Day." Nature Center. Riverside, California. 2016.

Graduate Student Peer Mentor

University of California, Riverside. Riverside, California. 2016–2018.

Science Fair Judge

St. Catherine of Alexandria. Riverside, California. 2016.

Test Writer, Proctor

Science Olympiad "Green Generation." Ramona High School. Riverside, California. 2016.

Presenter

Annual Science Night. Stork Elementary School. Rancho Cucamonga, California. 2016.

Career Speaker

Amino Ralph Bunche Charter High. Los Angeles, California. 2015.

Presenter

"Environmental Health Day." Riverside, California. 2014.

Do you want me to also **reverse-sort this chronologically** (most recent → oldest), like your presentation list, so everything is consistent?

Scott Coffin, Ph.D.

PROFESSIONAL MEMBERSHIPS AND APPOINTMENTS

Editorial Board Member

Cambridge University Press – Cambridge Prisms: Plastics.

Committee Chair

CA-NV AWWA Research Committee. 2022-2024.

Board Member

Moore Institute for Plastic Pollution Research. 2021 – current.

Policy Advisory Committee Member

WRF 5155: "Developing Strategic Consumer Messaging for Microplastics in Drinking Water Supplies." *Water Research Foundation*. 2021 – current.

Planning Committee

Society of Environmental Toxicology and Chemistry Global Microplastics Workshop Planning Committee. 2021- current.

Committee Co-Chair and Founder

California Water Quality Monitoring Council Microplastics Monitoring Workgroup Subcommittee. 2021 – current.

Review Editor

Frontiers in Water and Human Health. Research Topic: "Alternatives to petroleum-based plastics as a potential solution to the global plastic pollution crisis in marine environments: Do they provide sustainable solutions?" January 2022 – current.

Review Editor

Frontiers in Water and Human Health. Research Topic: "Microplastics in Water and Potential Impacts on Human Health." May 2021 - current.

Vice Committee Chair

CA-NV AWWA Research Committee. 2020-2021.

Writer

USCRP Human and Ecosystem Health in Coastal Systems report. 2021.

Grant Committee Member

Plastics Science for a Cleaner Future Selection Committee, Natural Sciences and Engineering Research Council of Canada. 2020-2021.

PAC Member

WRF 5088, Defining Exposures of Microplastics/Fibers (MPs) in Treated Waters and Wastewaters: Occurrence, Monitoring, and Management Strategies, Water Research Foundation. 2020-2021.

Member

Microplastics Grant Selection Committee, California State University Council on Ocean Affairs, Science & Technology (COAST). 2019-2020

Member

Microplastics Policy Advisory Committee; Ocean Science Trust. 2020.

Student Representative

Southern California Society of Toxicology and Chemistry. 2017- 2019.

TRAININGS AND CERTIFICATES

Verbal Judo. June 2023.

Sexual Harassment Prevention. August 2022.

Intermediate R for Water Resources. August, 2021.

Introduction to Emotional Intelligence. August, 2021.

ABT Narrative Training with Randy Olson. August – September 2021.

ArcGIS Training, University of California, Davis, 2020.

Scott Coffin, Ph.D.

Mastering Grammar. January 2020.

Web Accessibility Training. January, 2020.

3-Day Rulemaking Training Course for State Agency Personnel. October 2020.

A2LA Introduction to Method Validation. October 2019.

Contract Manager Training. October 2019.

Yoga Instructor, 200-hour certification, Western Yoga College, 2018.

SCUBA certification, Advanced Open Water, PADI, 2014.

SPECIAL PROJECTS

Contract Manager

In Vitro Bioassays Research. Contractor: Southern California Coastal Water Research Project. Office of Environmental Health Hazard Assessment.

Founder and Lead Developer

www.Plastiverse.org

Lead Developer

Toxicity of Microplastics Explorer Application (ToMEx).

Lead Data Scientist

Economic Impacts to Water Systems from COVID-19 (2020). State Water Resources Control Board.

Contract Manager

Microplastics in Drinking Water Method Development and Health Effects Workshop. Contractor: Southern California Coastal Water Research Project. State Water Resources Control Board.

NASA Covid19 Space Apps Challenge (2020)

Virtual. Participant. *Shelter in Space.*

PFAS Datathon (2019)

Sacramento, CA. *Organizer and facilitator.*

Southern California Society of Toxicology and Chemistry (2018)

Los Angeles, CA. *Organizer.*
